Do you feel safe in neighborhood??

- refineries - safe b/c of emergency horns but no good access for emergency response
 - need more routes to ~~escape~~ evacuate if needed
 - evacuation plans for persons not as mobile (elderly)
 - is there a bus system that would know who/where people would need help being evacuated
 - horn notice not enough; need emergency notification system
 - communicate emergency evacuation plan to citizens in community; must make sure citizens understand how to implement plan
- * refinery has plans on website w/ different horn sound meanings but not widely known
- not safe: b/c people are vulnerable to being taken advantage of Chapparral (4116 N Chap.)
- increase in homeless; squatters; not caring for lawn (code enforcement issues need to be addressed)
- hard to access Port St. b/c of cars blocking streets; parking on sidewalks
- houses that harbor drug dealers
- must avoid these areas because feel unsafe and feel police do not respond to complaints
- feel police almost "allow" illegal activity b/c of lack of response
- living in crosswalk area makes them nervous
- concern about smelling chemicals ~~for~~ from refineries
- continued need for decrease in drug traffic/activity

Describe responsiveness of Emerg Svcs?

- New fire station near Leopard
- feel response time is good
- feel police response time is good when needed

Health of your family living in neighborhood, concerns?

- want to move b/c have ~~concerned~~ friend had headaches but ~~went~~ away when moved
- feels Washington Cole neighborhood more exposed to chemicals that are a concern for health
- refineries need to be more concerned w/ chemical releases during times when winds change and blow into neighborhood.
- * concern about how often the water supply is tested for ^{chemicals} leaking into water and/or ground.
 - results should be communicated to neighborhood and explained
 - ~~the~~ idea to distribute info through water bill
- sulfur smells concerning

Potential Testing Ideas: residential testing; grant opportunities?

Are medical svcs adequate? ?
Could improvements be made?

- adequate access
- potential problem if people do not have transportation
- emergency response

- Don't want to stay in Hillcrest because of bridge impacts — noise of construction + dust (health impacts/issues)
- Worried about children playing outside
- Want house to be purchased.
- Need more incentives for black business owners
- Poor representation ~~of~~ for historic places ~~where~~ that were part of the neighborhood — beer hall, parties upstairs, etc
- Speed bumps on Kennedy Ave & ~~Hill~~ Hulbirt. People are speeding thru this area ~~at~~ (begins at freeway on Kennedy. Hulbirt just has 1 stop sign.)
